

## NEW MEXICO TOWNS.

Gallup, Blanding, Lordsburg, San Marcial, Hillsboro.

### SANTA FE AND LEE V. B. & S.

#### GALLUP.

From the Republican.

Swindler, Jameson was laid up a few days ago a week. He fell from a car and struck his head against a rail.

Mrs. J. H. Moore took her daughter to the Lovett's convent in Santa Fe and went from there to Colorado on a long vacation.

Burglar attempted to effect an entrance to the residence of S. E. Aldrich on Thursday night but were frightened away by the screams of the housekeeper.

The annual Shalaco dance at the Zuni pueblo will commence on the 5th of December and last seven days.

A new organ is talked of for Christ church, and it is possible that it will be in position for the church services next month. Mr. G. H. Miller has been voted \$1,000 for the old organ without confirmation.

W. A. Cremer, pastor of the Emmanuel little people of New Men, was the recipient of a handsome jewel presented by the tribe in appreciation of his services.

W. A. McCreary, attorney of the Albuquerque Daily Citizen, spent two days here this week in after business for The Citizen and attending to matters concerning the Mariano Oil company which is in a mess.

The opening dance given by Peter Kitchens at his opera house in Santa Fe on Saturday evening of the second day of the season, was largely successful and the band had a splendid time.

Mr. W. H. Wright, who has charge of the prospecting in the Carrizo mountains for an oil syndicate was in town this week and gave a brief dance of the season. It was largely attended and the band had a splendid time.

John Bowe and wife, who have been chaffing in the case since the early part of last month, returned home on Sunday evening.

J. M. Davis, Pequosie and Pequosie and son, and Mrs. Collins and wife to the Buffalo expedition just before it started. Mr. Bowe reports a pleasant trip.

#### DEMING.

From the Headlight.

John Coplin left for El Paso and from there to some mining interests he has in old Mexico.

J. M. Davis has purchased the property just south of the Methodist church from Mrs. L. Collins and will erect a residence thereon in the near future.

Mr. and Mrs. Case, recently of St. Peter City, but formerly from the east, have rented the Galvin property on the corner of Gold avenue and Pine street, where they will open a boarding house and Mrs. Case will do dressmaking and sewing.

John Gibson, an employee of the southern Pacific at this point, was badly crushed between cars. Gibson was caught about the hips and while there are thought to be no bones broken his injuries are quite serious.

John Gibson, a boy of 16, on his way to contractors on the hill, was brought to the hospital at this place with his arm broken between the wrist and the elbow. Gibson was struck with a hammer while running a drift which caused the incident. The doctor attended to the patient and he is now resting in the hospital.

Last Friday the contract for the building of the ice plant was let to Rosen & Coopold of this city. Mr. Foyh went to Silver City that day, and although there were several other bids from the north and Silver City, he selected the low bid.

The bid for the building of the hotel was \$17,000. The bid for the building of the hospital is \$17,000 so it will be seen that it is no small affair.

Last Monday night Little Eva, daughter of Mr. and Mrs. Cimino, back of this city, was taken home. Little Eva, who is about twenty-two months old, is one of the children that the couple of the sheriff have been called upon to return to him. Who gave them leave coming here last May. This whole community deeply sympathizes with Mr. and Mrs. Cimino in this their second affliction by death since coming to Deming.

#### HILLSBORG.

From the Advocate.

Potato and egg are scarce article and price high.

A new butcher shop by the Galvin brothers is the latest business venture.

Mrs. Al Shepard had a slight stroke of paralysis late last week, but has recovered.

Mrs. John McLaughlin and daughter Hazel returned after an absence of six weeks in Scotland.

The residence of Mr. Dowsen has a narrow escape from destruction by fire. The fire was caused by a defective stove pipe. Prompt action saved the building.

G. M. Thompson has throttled the advanced wave of Lake Valley mining boom. He has rented buildings in Lake Valley for the purpose of starting a branch post office down there.

While here Rev. Thomas Harwood held meetings in the Mexican Methodist church and also preached in the Methodist Episcopal church. Mr. Harwood preached the first Thanksgiving service ever held in Hillsboro.

He is a man of 77 years of age and in the room now occupied by the post office.

J. W. Goodell, who has held an option for nearly a year on the Dulcine mine on the Mimbres, has taken up residence in the city of Los Angeles.

Mrs. J. L. Basson of Utica, N. Y., who visited this camp last week is equal to interest with Mr. Goodell in the property, and it is the intention of the owners to commence extensive development work within the next month.

**AID FOR NEW MEXICO.**

The Dallas News has followed the advance wave of Lake Valley mining boom. He has rented buildings in Lake Valley for the purpose of starting a branch post office down there.

While here Rev. Thomas Harwood held meetings in the Mexican Methodist church and also preached in the Methodist Episcopal church. Mr. Harwood preached the first Thanksgiving service ever held in Hillsboro.

He is a man of 77 years of age and in the room now occupied by the post office.

J. W. Goodell, who has held an option for nearly a year on the Dulcine mine on the Mimbres, has taken up residence in the city of Los Angeles.

Mrs. J. L. Basson of Utica, N. Y., who visited this camp last week is equal to interest with Mr. Goodell in the property, and it is the intention of the owners to commence extensive development work within the next month.

**LORDSBURG.**

From the Liberal.

S. V. Wing and C. W. Mason are operating the week at Stein's Pass, supervising the work on the Mineral Mountain company's properties.

C. W. McCurdy, who for several years past has kept his residence in Lordsburg and his summer in the state of Washington, returned to Lordsburg this week for the winter.

The electric light company started up their machines for the first time Saturday night and it ran as nicely and smoothly as any of the electric light companies. The men engaged in putting up the wires and installing the lights are all at work and as fast as the lights are put into position they are used.

Some person, who needs a good

habit, broke into Dr. Egan's little fruit store and cigar stand near the depot, stole a couple of boxes of cigars and broke the glass in the window. The man who did this is a blind man who is making an effort to support his family, as in this case is too mean to live.

#### SAN MARCIAL.

From the Bee.

Mrs. A. F. Bonney arrived here last week and joined the doctor in the San Andrews, where he is engaged in mining.

Mr. and Mrs. Marvin and J. E. Nichols are well satisfied with the progress their sons are making in their studies at the Brothers' college in Santa Fe.

Mr. McCrory was at Carthage last week attending the two boys of Thomas, Marvin, who were born in the same year with photo fees.

Mr. Harris is at the Brothers' college in Santa Fe.

A new organ is talked of for Christ church, and it is possible that it will be in position for the church services next month. Mr. G. H. Miller has been voted \$1,000 for the organ.

Rev. H. Prince is at the coal mines.
